Socially Speaking!

For Middle School

Summer is the perfect time to work on the social skills your middle school student needs to build effective peer relationships! Join us this summer for a fun, interactive, and hands-on learning experience that is sure to help them build their social skills!

Designed for students who meet the qualifications and need assistance with:

- Initiating conversation
- Maintaining conversations
- Interpreting body language & facial expressions
- Talking on topic
- Making and maintaining friendships
- Working effectively in groups
- Emotions and self-esteem

- Groups limited to 3-4 students
- Must have 3 students enrolled by deadline or will be cancelled
- This group will target students in 6th - 8th grade
- Groups held on Friday mornings in June and July
- Therapist will contact the parent prior to starting
- Groups will be 5 weeks in length
- Pre-Registration by **May 1, 2015** is required.

60 min. sessions, once per week, for 5 weeks

June 5th & 12th, July 3rd, 10th, & 17th

Cost of the group: \$200.00

No refunds for missed sessions

Cash or Credit Card only, no insurance billing or DDD

This group is led by Jackie Breckow, M.S., CCC-SLP. She is a master therapist and has many years of experience working specifically with this age group in both the school and clinic setting developing social skills crucial to student's success.
